

## Product Specification

---

|              |                                        |
|--------------|----------------------------------------|
| Product Name | (1-Hexadecyl)trimethylammonium bromide |
| Code         | FG-GLT-00004                           |
| CAS Number   | 57-09-0                                |
| EINECS       | 200-311-3                              |
| MDL Number   | MFCD00011772                           |
| PubChem SID  | 310274561                              |

---

|                   |                                                                 |
|-------------------|-----------------------------------------------------------------|
| Molecular Weight  | 364.46                                                          |
| Molecular Formula | $\text{CH}_3(\text{CH}_2)_{15}\text{N}(\text{CH}_3)_3\text{Br}$ |
| Storage Temp.     | +20°C                                                           |

| Property             | Specification |
|----------------------|---------------|
| Physical Description | White powder  |
| Water                | $\leq 0.5\%$  |
| Assay                | $\geq 99.0\%$ |

**AffiGEN Inc.**
